

FlexBlend, Suspended

SP340Z EP SI

FLEXBLEND S&S ACCESSORIES - - V - - Hz - - - - - Silver

Philips FlexBlend is an attractive family of surface-mounted and suspended luminaires, next to Flexblend recessed. The luminaire range is enabling building owners to advance their lighting operations, by offering office-compliant lighting with a return on investment of less than three to four years. FlexBlend provides the required flexibility through an adaptable design. This gives the possibility to install the luminaires easily in the field, at any moment. Even when the luminaire is suspended, tomorrow it can be adapted to a surface-mounted installation at the venue. And the other way around. The surface-mounted and suspended luminaire range fits many different office spaces like open plan offices, corridors, reception areas or meeting rooms. FlexBlend is offered in both lines and as standalone, using the same lighting module. This gives users the option to use FlexBlend as standalone now, and tomorrow, as a line. The controller is integrated in the luminaire. As technology is changing fast, the ideal lighting solution is also expected to be ready to incorporate innovations that can help optimise operations further. For this reason, FlexBlend has all connectivity and future-ready options available. As a System Ready luminaire, it can be paired with lighting management systems such as the Philips SpaceWise, and to software-based lighting systems such as Interact Office wired (PoE) and Interact Office wireless and/or existing and upcoming sensor innovations. The luminaire range is therefore future-ready and can be delivered without any system component, and in a next phase, in the field to be upgraded. An attractive opportunity for new installations and renovations.

Warnings and Safety

- The product is IPX0 & as such is not protected against water ingress and as such we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not followed and the luminaires are subject to water ingress, Philips/Signify cannot guarantee safe use and the product warranty will become void

Product data

FlexBlend, Suspended

General Information

Protection class IEC	-
Material	Polycarbonate
Angle	-
Colour	Silver
Product family code	SP340Z [FLEXBLEND S&S ACCESSORIES]

Operating and Electrical

Input Voltage	- V
Input frequency	- Hz

Mechanical and Housing

Overall height	70 mm
Dimensions (height x width x depth)	70 x NaN x NaN mm (2.8 x NaN x NaN in)

Approval and Application

Ingress protection code	- [-]
Mech. impact protection code	-

Product Data

Full product code	871951410695600
Order product name	SP340Z EP SI
EAN/UPC – product	8719514106956
Order code	910925867437
SAP numerator – quantity per pack	1
Numerator – packs per outer box	1
SAP material	910925867437
SAP net weight (piece)	0.300 kg
